Dear Jeffrey:

We are delighted that The Asper Foundation has chosen once again to support Tree Canada. Your contribution will go towards our Grow Clean Air Program.

Indeed, when we think of the enormous benefits of planting and caring for trees, you can be assured that together we are truly making a measurable difference in the quality of life for all Canadians.

On behalf of our Chairman, David Domke and our Board of Directors, thank you again for your commitment and passion for trees and the benefits they provide. Together we are doing our part, growing better places to live.

Yours sincerely,

Michael Rosen, R.P.F.  
President
